

Terms of Use

By making use of the services and material available on this site, as an authorized user, you agree to comply with all applicable Terms of Use. The Services and the material made available to the authorized users are to be used in a responsible and ethical way and in accordance with all applicable terms and conditions communicated to them by IACA.

- Access to the databases or Services and material is limited to IACA students, researchers, and members of faculty and staff, including – if necessary - external lecturers.
- The Databases and Services made available to authorized users are subject to copyright protection, in accordance with applicable copyright laws and any other laws on intellectual property rights. Authorized users shall abide by copyright laws as well as any contractual restrictions, copyright restrictions or other restrictions provided by publishers and specified in the Databases or Services.
- Remote access to the Databases and Services is permitted only to the authorized users by IACA and the use is restricted to personal, non-commercial use, for study and research purposes.
- Authorized users may download or print limited copies of citations, abstracts, full text articles or portions thereof, provided that the information is used solely in accordance with copyright laws.
- Authorized users shall not publish the information.
- Authorized users shall not use the Databases or Services as a component of or as the basis for any other publication prepared for sale. They will neither duplicate nor alter the Databases or Services or any of the content therein in any manner nor use the same for sale or distribution.
- Authorized users may create printouts of materials retrieved through the Databases or Services via online printing, facsimile, or electronic email. Please be aware that all reproduction of such printouts, and all downloading and electronic storage of materials and retrieved through the Databases or Services shall be for **personal, non-commercial use only, and for the study and research** purposes of the authorized users.
- Downloading all or parts of the Databases or Services in a systematic or regular manner so as to create a collection of materials comprising all or part of the Databases or Services is strictly prohibited whether or not such collection is in electronic or print form.
- Publishers may impose their own conditions of use applicable only to their content. Such conditions of use shall be displayed on the computer screen displays associated with such content and must be respected.

- Neither IACA nor EBSCO assume any liability for the accuracy, completeness or functionality of any material contained in the Databases and Services made available to the authorized users or for any errors, omissions or damages from the use of information contained therein.
- Notwithstanding any possible legal liability, in case of violation of the Terms of Use of the available Databases and Services and/or material, IACA reserves the right to terminate the user's respective access, at its sole discretion.
