IACA INTERNATIONAL ANTI-CORRUPTION ACADEMY

WEBINAR

Global Procurement:

BREAKING BARRIERS TO COMBAT CORRUPTION THROUGH DATA EXCHANGE

OVERVIEW

In an interconnected world, combating corruption in procurement requires seamless information exchange across borders while adhering to stringent data privacy laws.

This webinar will delve into the complexities of global procurement, exploring how sophisticated data analysis can enhance transparency and accountability. Our experts will discuss strategies for fostering international collaboration, overcoming legal barriers, and leveraging technology to detect and prevent corrupt practices.

Attendees will gain insights into building robust anti-corruption frameworks that protect data privacy and promote ethical procurement practices.
